

## Academic Resume

### Nofe Alganmi

#### Assistant Professor, Computer Science Department

Proactive professor and researcher with 10 years of experience teaching courses on undergraduate and postgraduate levels. I work as a head of bioinformatics at the center of medical genomics researchers in Jeddah. I am interested in exploiting data for furthering understanding of biological systems. My research programs can be broadly classified into; 1) deployment of computational approaches for the analysis, interpretation, and exploitation of large-scale biologically derived data, and 2) the development of computational tools and algorithms for the analysis of biological data.

#### Contact Information.

Building 61, Room 105, Add. Faculty of Computing and Information Technology girls section,,  
nalghanimi@kau.edu.sa.

#### Highest Degree.

2019, , Bioinformatics, University of Surrey, UK.

#### Academic and Professional Experiences.

1. **2020 - Present**  
Deputy Director, The Center of Excellence In Genomic Medicine Research, Jeddah, King Abdulaziz University.
2. **2019 - Present**  
Assistant Professor, Computer Science, Faculty of Computing and Information Technology.
3. **2019 - Present**  
Head of Bioinformatics unit and data center, The Center of Excellence In Genomic Medicine Research, Jeddah, King Abdulaziz University.
4. **2006 - 2019**  
Lecturer in computer science, Faculty of computing and information technology, Jeddah, King Abdulaziz University.
5. **2003 - 2004**  
Teacher Assistance, Effat College Jeddah, , .
6. **2002 - 2003**  
Administration assistance, Effat college, , .

#### Research Interests.

Machine learning, Computational Genomics, Artificial intelligent, Clinical Bioinformatics.

#### Teaching Interests.

Artificial intelligent.

## Certifications and Trainings.

1. Surrey Winter School in Statistics with R". the UK..
2. Microarray data and pathway analysis". Partek Incorporated&reg;, London..
3. "The Deep Learning Summer School.". TheUniversity of Surrey, UK..
4. A Cytogenetic and Molecular Genetic Course for 3 months training in the center of excellence in genomic research, Jeddah KSA.
5. "Data Science R Bootcamp". Princess Nourah Bint Abdul Rahman University, Jeddah, KSA..
6. "KAUST Research Conference Digital Health". KSA..
7. "3rd Berlin Summer School in NGS Data Analysis". ecSeq Bioinformatics GmbH, German.

## Social, Scientific and Professional Affiliation.

1. 2020-Present, Membee, GIAB analysis consortium.
2. 2020-Present, member, Saudi Society of Medical Genetics.
3. 2020-Present, Member, American Society of Human Genetics.
4. 2020-Present, Member, Human Cell Atals.

## Publications.
